

Are you interested in dealing with the unique and strategic financial problems of the 21st century in a professionally challenging and growth nurturing business environment?

If your answer is YES, we are inviting YOU to apply for the position of **Retail Finance Stream Leader** as part of our **Finance Back-Office team** and to build your future alongside a strong team.

The purpose of Retail Finance Stream Leader position is to manage the day-to-day activities of the Retail Finance Stream. The Retail Finance Stream is responsible for the retail accounting of MOL Romania.

Location: Cluj-Napoca

As a Retail Finance Stream Leader you would:

- Ensure that the daily activities of the Retail Finance Stream take place as planned and at the expected quality
- Provide supervision, coaching and support to your team members
- Collaborate with other units in the Company to ensure full alignment on the way procedures are set up, paying special attention to the information needs of such units.
- Continuously improve the efficiency and the quality of the output of your team
- Contribute with professional expertise to projects concerning the Finance or Retail activities of MOL Romania

The ideal candidate would have:

- Solid knowledge and experience in these fields: accounting (both statutory and IFRS). Experience with retail accounting is preferred.
- Team management experience
- Proven stakeholder management skills
- ERP knowledge is preferred
- Ability to understand, revise and optimize processes
- Computer literacy and working knowledge of Microsoft Office
- Proficiency in written and spoken English.

The way we work

At MOL you'll work with us in a fast-paced, international environment. MOL fosters a collaborative work environment focused on people, customers, ownership and agility.

We at MOL Group have a powerful purpose to drive everyday progress and shape tomorrow with our net zero long-term strategy that impacts not just energy but chemicals, waste, retail services and beyond.

Sounds amazing, right?

You will be a part of a vibrant, international community in a stable and innovative regional company, while building your career in a variety of areas such as our core exploration and production, refining and petrochemicals and the innovative and progressive mobility, circular economy, or retail and consumer services areas

Additionally we offer:

- A friendly and helpful team
- A professionally challenging work environment enabling personal and professional growth
- Employee referral bonus
- Our benefits package includes: meal tickets, private medical subscription, significant sports subscription discount

Don't wait, [apply today here!](#) We are excited to review your application!
